

To Our Former and Potential Sponsors

Dear Colleagues

In September 2012, Canberra, recognized as the *'Heart of the Australian Nation'* will play host to the **13th International Inorganic-Bonded Fibre Composites Conference 2012**.

The biannual IIBCC is the only world-wide conference dedicated to the inorganic-bonded fibre composites market and **IIBCC 2012** provides a unique opportunity for you to meet the industry's key players and decision makers. Jointly, these conference delegates represent the world's trade in Inorganic Bonded Fibre Composite Cement.

Enclosed is the 2012 Sponsorship & Trade Prospectus, please take your time to peruse this brochure outlining the benefits and opportunities available. Details are also available on the conference website www.iibcc.net/sponsorexhibitor.aspx

I would urge you to give this opportunity your fullest consideration as the benefits are proven. However, we would respectfully ask that you make your decision and respond to the conference organiser before November 30 2011.

Thank you in anticipation of your support of the **13th International Inorganic-Bonded Fibre Composites Conference 2012**.

Sincerely

Holmer Savastano Jr.
IIBCC Chairman
